

# Football & Cheer for Homeschoolers

Cedar Park Christian Junior Football invites all homeschoolers to join us!  
 Our Program is open to the public and about 20% of our athletes are  
 homeschooled (only 45% are from Cedar Park Schools).

## Registration is Open to the Public: Ages 6-14

First year players wanted! There are no boundary or school limitations. Many Homeschool students continue to play with the High School sports teams.

Junior Football & Cheer is a ministry of Cedar Park Church (not a school program )

Both programs emphasize character development and discipline with a strong Christian commitment on and off the field. Each practice includes a devotional designed to strengthen your child's character.
